TV Artist Dermot Cavanagh invites you to get creative on his inspirational painting courses. Book yourself or someone special on one of the many regular 3 Day watercolour courses he runs throughout the UK. This is a great opportunity for any art enthusiast to learn and develop new painting skills under the expert guidance of a master tutor.

Dermot Cavanagh is the artist and broadcaster behind the BBC TV series 'Awash with Colour'. During his 74 episodes Dermot informed and inspired millions of worldwide viewers and taught a host of national celebrities to paint the landscape. Charlie Dimmock, Gloria Hunniford, Suzanne Dando, Barry McGuigan and John Craven to name but a few all took up the paintbrush under his expert guidance. Recently one of his guests commented, "No other tutor covers more, teaches as much and prepares as well as Dermot Cavanagh. His style of tuition is exceptional". At his UK courses Dermot passes on the techniques needed to paint successful watercolours. Most people say they've learned more from Dermot's courses in days than from attending other classes for years. He can bring out the artist in anyone even those with the most basic skills. Dermot will build confidence and take away the mystery around painting and have you creating work to be proud of in no time. Places are limited to a maximum of 12 painters to allow for lots of individual attention.

The 3 Day courses run daily from 10.00am to 4.30pm. All art materials and equipment needed are provided by Dermot during the course. Lunch will be available for purchase each day at all of the course venues. Please do not hesitate to contact Rhoneview Studio on telephone: 0044 2887 784166 for further information. Bookings can be made securely over the phone using Credit or Debit Cards or Bank Transfer or PayPal.
